

Christmas is a time for rejoicing, being with loved ones and reflecting on our many blessings. We, at the Village of Progress, have so much for which to be grateful.

For more than 50 years and as a result of the generosity of others, our agency has provided meaningful training services to adults of our county who have a disability. We know that these experiences have enabled our men and women to function more independently in their homes and community.

To those of you who have previously helped, thank you. Our ability to maintain meaningful and effective programs for Ogle County adults with disabilities has been greatly augmented by your support. We are now hoping that you and others will choose to become an integral force in this, our 31st annual CHRISTMAS APPEAL.

Will you please consider giving a Christmas gift to our agency? Your generosity this Christmas season will be greatly appreciated and help us continue with our most important work.

*Thank You*
